Video Brief:
To the left are the 9 topics your team has to choose from. Each topic has its own packet that includes a summary as well as supporting articles “for” and “against” the topic. After the topic is selected you need to assign roles to everyone on the team then complete the following assignment.

Team Roles:
- Debate Speaker #1
- Debate Speaker #2
- Debate Moderator
- Camera Operator
- Audio Operator
- Group Research
- Time Keeper
- Video Editor

The Assignment:
The debate speakers have to research their topics using the materials provided and prepare the following based on their position (“for” or “against”):
- One (2) minute argument
- One (1) minute argument
- A closing remark

The other team members are responsible for recording the debate, keeping them on time, and editing the footage.
